

# Musical initiative from a mall

As a part of Inorbit Mall's pioneering initiative *Live At Inorbit*, the Vashi (Navi Mumbai) property will extend its platform to perform live to *Karnaal Ke Phool*, an upcoming and promising band, a group of five young enthusiastic musicians. The band comprise of Hitesh, a composer; Bali, the session guitarist and composer; Abdiel, the bass player along with Brian, who loves to drum away and Ralph with his expertise in guitars, keyboards and vocals.

Through 'Live At Inorbit', Inorbit Mall is giving a unique fortnightly opportunity to participate in a talent show for the local community as well as experienced artistes to show their talent.
